Dear Member of the Kinlochbervie Community

RE: Community Broadband Survey

I am writing to ask you to complete a short survey about your broadband – **your current speed and your interest in obtaining faster broadband**. Current improvement plans will likely result in faster speeds within the village of Kinlochbervie by the end of 2016 but there will be very little or no improvement beyond the village.

This survey may be completed by hand or filled in online at:
http://www.surveymonkey.co.uk/r/klb_broadband

More information about the government's Community Broadband program can be found at:
<http://www.communitybroadbandscotland.org> .

There are three ways to return the survey:

1. Complete the survey online at: http://www.surveymonkey.co.uk/r/klb_broadband
2. Post the completed survey to me using the enclosed addressed envelope (stamp needed).
3. Drop off the completed survey into the striped box at the garage or at the Ceilidh House.

Finally, I have done my best to include everyone who lives in the Community Council area. But I would also like to hear from holiday home owners. If you are in contact with people who live outside the area, I would appreciate it if you would let them know about the survey or give me their details so that I may send them a questionnaire.

I hope you will take a moment to complete the survey. For more information about community broadband or if you would like help with the survey (perhaps the speedtest part), please contact me (Margaret Meek) at 01971 521288 or at 07776 256255 or at mmklb@clara.co.uk.

The deadline for submitting the surveys is 26 February 2016.

Yours sincerely

Margaret Meek
