

Join the UK's biggest whale and dolphin watch!

NWDW 2013

National Whale and Dolphin Watch 2013
27th July to 4th August 2013

Set up your own watch!

If you have prior experience of cetacean watching, simply download the data forms [here](#) and choose a watch site near you. Danielle, SWF Sightings Officer can talk you through the data collection procedure and help you prepare for your watch.

Join a pre-NWDW training course!

If you are new to cetacean watching this is for you! We are going to be organising a number of 1-day pre-NWDW training courses. The aim is to teach you everything you need to know to confidently collect cetacean data during NWDW and why not even organise your own watch??

To find out more about pre-NWDW training courses email sightings@seawatchfoundation.org.uk

Report your sightings during NWDW!

If you are out and about, at sea or by the coast, sailing, fishing, diving, hiking or just walking your dog **don't forget to keep a look out and send us your sightings**, by post, email, or telephone as soon as possible, so that we can update our website list of sightings immediately.
