

Get IT Together

North West Sutherland Project Launch

I am delighted to invite you to the official Project launch of **Get IT Together** North West Sutherland @ Kinlochbervie High School, Kinlochbervie.

The event welcomes all community projects in Sutherland and any individuals who would like to discover more about the benefits of the internet and IT. At the event you will have the opportunity to meet the Project Director and local Project Co-ordinators, our partners Highland Council and HIE and various other community groups.

All are welcome to attend and take part in relaxed free Internet taster sessions, gain advice on internet safety, find out how technology can help you and your organisation, enjoy the refreshments and discover the range of community projects going on in the area.

The event will be held from 2pm to 4pm with a short official opening at 2pm.

**Thursday 17 November
Kinlochbervie High School
Kinlochbervie**

It would be great if you could find time to attend and please feel free to pass this information to any other community projects or members of the local community who you think may benefit from coming along to the event.

We look forward to hearing from you shortly and seeing you on the day.

Please RSVP to:

Project Co-ordinators :
